GBC ONLINE BULLETIN | MARYSVILLE | SEPT 20, 2020 – VOL 4 ISSUE 3

## Dear GBC Family,

We continue to be encouraged by your positive response in gathering together in the Activity Center. Thank you for playing your part in moving the church back to some semblance of normality.

While our in-person attendance dropped some in number last Sunday, that number was made up online. Regardless of whether you are with us in person or online, we will continue to do our best to bring to you meaningful times of worship.

Special thanks to John Williams for researching and solving the glitch that caused last week's drop in the audio/visual feed in the Activity Center. It is fixed and should not happen again.

Thanks also to Bonnie Cole, Jenny Smith, and Bekah Mellema for a fun and edifying time for our ladies in our End of Summer Event sponsored by our Women's Fellowship Night team. Ladies if you missed it, be sure to do your best to be a part next time.

As always, if there is anything we can do to be of assistance to you, please do not hesitate to contact the office.

Remember, ...

- To prevent you from having to be in a mask for four straight hours, we will begin the Grace Life livestream at 8:30 am (no in-person Grace Life). The Grace Life livestream will end by 9:15 am at the latest, leaving plenty of time for you to make it to the in-person worship service in the Activity Center beginning at 10:30 am.
- Because of the restrictions, John and Mark will lead music and I will preach from the Worship Center, which we will livestream to the Activity Center and to individual homes.
- Remember that we have people in our church family who are not required to wear masks due to existing medical conditions that are not contagious. In other words let's believe the best of one another when we gather.

*John*

# OUTREACH

Paul & Bella Gervasi

Indonesia

In his last letter, Paul wrote, “The church interior is doing well. We have been pursuing the process of appointing elders and deacons. Elders must be ordained in order to do some of the legal things for the government like marriage licenses. I am no longer able to ordain elders since the government here has changed the status of all our missionaries to “spiritual advisors.” In order to ordain elders in our church we have to rely on help from some of the elders in churches in other tribes. They have agreed in principle to help, but when it comes to actually coming and helping, it seems no one has the time. So, we were greatly encouraged recently by a visit from one of the elders in the church in Gerai, where we used to work. We asked them if they would consider coming back to help us with ordination and they agreed to come after they finish planting their rice garden in October and stay for several months. They will spend time with the candidates and also visit with the believers to hear what they think of these candidates. We are really thankful for their willingness to do this. Please pray that we will be able to ordain elders and appoint deacons in the church here.”

*Thank you for faithful and gracious giving.*
