

# GBC Online *Bulletin*

GBC ONLINE BULLETIN | MARYSVILLE | SEPT 27, 2020 – VOL 4 ISSUE 4

## Dear GBC Family,

This Lord's Day will be an exciting day at Grace as we begin the study of a new book of the Bible. I trust you will share in my excitement either, in person or online, as we take another step in making our way through the Word of God.

Thank you again for abiding by the COVID-19 restrictions as we gather together. While there is still no definitive word from our governor concerning any progress in moving back to normality, we are confident as always that our God is much more in control than any elected official.

While our attendance dropped again some in number, that number was made up online. Regardless of whether you are with us in person or online, we will continue to do our best to bring to you meaningful times of worship.

Remember to pray for Don Hehe who will have heart bypass surgery with a new valve on Wednesday, September 30th at 1:30 p.m. I know he appreciates your prayers.

As always, if there is anything we can do to be of assistance to you, please do not hesitate to contact the office.

Remember, ...

- To prevent you from having to be in a mask for four straight hours, we will begin the Grace Life livestream at 8:30 am (no in-person Grace Life). The Grace Life livestream will end by 9:15 am at the latest, leaving plenty of time for you to make it to the in-person worship service in the Activity Center beginning at 10:30 am.
- Because of the restrictions, John and Mark will lead music and I will preach from the Worship Center, which we will livestream to the Activity Center and to individual homes.
- Remember that we have people in our church family who are not required to wear masks due to existing medical conditions that are not contagious. In other words let's believe the best of one another when we gather.

*John*

# OUTREACH

Mark & Debbie Christopher

Cape Town, South Africa

In his last letter, Mark included several “Prayer Prompters.” He writes, “There is much to pray for regarding the seminary: our first class, the renovations, establishing it, promoting it, the right students, financing it and seeking a link with Christ Seminary Polokwane for accreditation purposes, which is proving difficult – not because of Christ Seminary, but because of government bureaucracy. We need much wisdom and grace as we move forward. I am also in the throes of studying for my Ph.D. Hebrew exam. I will probably take the exam middle to late November, but I have a long way to go to get up to that level of language proficiency. I truly enjoy my time in the Hebrew text, but I am all too aware of my deficiencies and weaknesses. Please pray that God will grant me both understanding and recall of all that I am studying and translating.”

*Thank you for faithful and gracious giving.*
