GBC ONLINE BULLETIN | MARYSVILLE | SEPT 6, 2020 – VOL 4 ISSUE 1

## Dear GBC Family,

We are so excited to finally gather together again this Lord's Day. We believe sufficient time has passed for our church family to be as comfortable and accepting as possible with the many COVID-19 restrictions put in place for worship services. We fully understand that not everyone will feel comfortable, and so we will continue to livestream our worship services for those at home so that you will not miss anything. For those at home, please remember you are just as much a part of our church family as those attending in person. We continue to pray for the day all the restrictions will be over and we can all be together again.

Please familiarize yourself with the restrictions we have sent to you several times now. We want to be faithful to do what we've been asked, knowing that our submission ultimately and always is to our sovereign God.

Also, understand that we have people in our church family that are not required to wear masks due to existing medical conditions that are not contagious. In other words, let's believe the best of one another when we gather.

A few of details to remember:

- To prevent you from having to be in a mask for four straight hours, we will begin the Grace Life live stream at 8:30 (No in-person Grace Life). The Grace Life livestream will end by 9:15 at the latest, leaving plenty of time for you to make it to the in-person worship service in the Activity Center beginning at 10:30.
- Because of the restrictions, John and Mark will lead music and I will be preaching from the Worship Center, which we will livestream to the Activity Center, and as individual homes.
- Out of love for our Savior, please be faithful to abide by the restrictions as I know you will.

Looking forward to being together with you this coming Lord's Day. As always, be praying that God will be glorified in our worship together.

*John*

# OUTREACH

Dick and Mavis Buck

ABWE, Brazil

In one of their most recent letters, Dick praises the Lord for the growth they have seen in the English Club ministry at the Pituba church. He writes, "The English Club has become a blessed ministry in its new virtual form. Numbers grow weekly. We have several new persons from other states, plus sister churches in Bahia. Besides Sunday teaching, Dick now is presenting a video devotional on Fridays. Others do so on different days. We had some exciting moments one Sunday. Heavy rain hit 20 minutes before we were supposed to go "on the air." Out internet signal was lost. Fortunately we have some good technical back-up. We got things restored, and started just 2 minutes late. Thank you, Lord."

Continue to pray for Dick and Mavis, their church in Pituba, and other churches in Brazil. Only one of the churches in their area has reopened, on a limited basis. He writes, "Aratu is holding Sunday-evening services, with 50 allowed to attend. They've barely gone over 30 in 2 Sundays of meetings. Folks seem afraid to come out. In an interior congregation, no one has attended. There are those who could, but aren't. That complacency is worrisome."

*Thank you for faithful and gracious giving.*
