GBC ONLINE BULLETIN | MARYSVILLE | NOVEMBER 1, 2020 – VOL 6 ISSUE 1

## Dear GBC Family,

This Lord's Day, we continue to look at the high calling and high responsibility of those God calls to lead the church. I trust you are encouraged to know that these are the standards we faithfully follow here at Grace. I am so grateful for the godly men in this place who meet these qualifications and who serve the Lord and you so faithfully.

As I reminded you last week, and will continue to until we make it through this section of Titus, you should make it a practice to pray for the elders here at Grace on a regular basis: Wayne Ohlemeier, chairman; Ed Oas, vice chairman; Tom Sultze, treasurer; Tim Lugg, secretary; Ward Brien, John William, and myself. We covet your prayers!

This week, I encourage you to pray for Jeannie Marzolf, who has spent the past couple of days in the hospital as her doctors help her to fight infection and stabilize some of her numbers related to her diabetes. She is such a faithful prayer warrior for all of us, and I know she covets our prayers for her as well.

Continue, as well, to pray for Sally Fisher as she begins life without her faithful husband, Mike. I know she and the family are grateful for your continued prayers on their behalf.

Pray for LaurieAnne Ruhlman and Mark as the arrival of another blessing from God is imminent.

This Lord's Day marks the anniversary of Jenny Smith joining our staff to be our office manager three years ago. While this year has been difficult with no respite in view, Jen has continued to keep us on track and ensure that we're all doing what we're supposed to be doing. We love her and thank God for her diligence and sweet spirit. We can't wait to all be back together again. In the meantime, if you see her Sunday behind a mask, be faithful to thank her for her service here at Grace.

Looking forward to another Lord's day. We continue to pray that we will soon be back to some sense of normalcy but sadly, it doesn't look like it will be anytime soon.

In the Service of the King,

*John*

# OUTREACH

Dick & Mavis Buck

AWBE, Brazil

After 207 days in quarantine, the Bucks have finally been given the green light from 2 doctors, their pastor, and their daughters, to leave their apartment for small walks (one 15-minute circuit) around their apartment square. Dick wrote, "Initial steps after leaving our gate almost involved dizziness. But once we got into our traditional hand-holding situation, things were steadier. It's great to be out in the fresh air again. We know we are still locked out as far as Church attendance goes, but we'll wait on a vaccine for that." Their church is forecasting it's reopening for sometime in November. They are praying over how to proceed with the English Club, who have been meeting online during the pandemic and hope to begin meeting again in-person. Dick wrote, "We won't be able to go, but others will. However, we still have participants on various parts of the map. How can we continue to serve both groups?"

Continue to pray for the Bucks: their health, their ministry, and their local church.

*Thank you for faithful and  
gracious giving.*

# Grace Bible Church of Marysville

## Attendee Responsibilities—COVID-19 Safe Start Plan

1. You are required to self-screen for signs and symptoms of COVID-19 before arriving at church, which includes taking your temperature before attending a service.

If you have a fever, or any COVID-19 symptoms (that you cannot attribute to another condition), we ask that you stay home and watch the service via live-stream.

2. You are required to answer the COVID-19 screening questions upon entry into the Activity Center or we will not be able to allow you to enter and you will need to watch the service via live-stream from home.
3. You are required to wear a face covering before, during, and after the service indoors (including while singing); exceptions include:
  - A. You have a medical condition, mental health condition, or disability that prevents wearing a face covering (this does not require proof of condition; a verbal notification is acceptable).
  - B. Children younger than five (5) years old.
  - C. When any party to a communication is deaf or hard of hearing and not wearing a face covering is essential to communication (this does not require proof of condition; a verbal notification is acceptable).
  - D. You are outdoors and maintain at least six (6) feet of distance from non-household members.
4. You must have at least six (6) feet of space between your family's seats (members of the same household may be seated together as a single unit) and those of other households.
5. You must maintain at least six (6) feet of physical distancing during interactions with others (not in your household) before, during, and after service (i.e., no direct physical contact, such as hugging, shaking hands, etc.).
6. You will be required to enter/exit through a single access point only; other access points will not be accessible.
7. Only three women are permitted in the Women's restroom at a time. Only two men are permitted in the Men's restroom at a time. Those waiting to use a restroom must maintain at least six (6) feet of distance between you and each waiting person.
8. There will be a lockbox in the back of the Activity Center that you may put your offering in.
9. GBC will provide COVID-19 required (PPE) Personal Protective Equipment supplies.
10. For questions regarding these requirements, please visit: <https://coronavirus.wa.gov/>

**There will be NO child care provided: Nursery, Cry Room, and Children's Sunday School Closed. Children in attendance MUST remain with parents for the duration of their time on campus.**
