Online Bulletin

GBC ONLINE BULLETIN | MARYSVILLE | JANUARY 17, 2021 – VOL 8 ISSUE 3

Dear GBC Family,

This morning, we return to our verse-by-verse study of the apostle Paul's letter to Titus. We will introduce what just might be the one of the most ignored passages in all of Scripture. As always, we want to be praying that we would love the Lord enough to live our lives in conformity to His precious Word.

While it is always important that we be faithful to pray for one another, it is especially important during this time where half of our church is at home online and the other half is present, following the restrictions in the Activity Center.

Pray for our Sunday School teachers that their ministry to their students would be effective.

Pray for our Academy teachers that their teaching and living out the gospel in front of their students would bear much fruit.

Remember to pray for one another and the different ministries as they settle in for the rest of the Spring session.

I trust you will be able to be with us in person or online this morning. As always, if there is any way we can be of assistance to you, please let us know.

John

OUTREACH

Paul & Bella Gervasi

Indonesia

In their last letter Paul included a few specific prayer requests:

- Pray for the elder ordination to be an encouraging time for the church.
- Pray for Akim and his family. His wife has been helping Bella check the Bible translation. They have no idea if she will continue doing this now, given that Akim disqualified himself from being ordained as an elder.
- Pray that they will stay focused on what they need to be doing there. Paul has two books left to draft to be finished with the New Testament. Bella is checking some of the ones Paul did earlier.

The photos are: 1. Bella and some of the things they brought home with them. All of it was carried on the back of small motorcycles. 2. Their trip home was wet, as it's the rainy season. 3. Some of the sidewalks the people are making in preparation for the ordination. The church building is at the top of the hill in the background.
