OUTREACH

Paul & Bella Gervasi

Indonesia

In their last letter, Paul described a few prayer requests we can be faithful to pray for. A young man in their village, who had attended their kids club for years, was bit by a rabid dog and has died. Several others in the village were also bit by this dog. Paul explains, "The disease (rabies) can lay dormant in a body for as long as two years. During that time, it is possible to get treatment and survive. But once the symptoms begin to occur, the mortality rate is 100%." They encouraged the ones who were bit to get treatment. It is about six hours, round trip, to the nearest hospital and the treatment is very costly. Sadly, for a variety of reasons, the hospital turned them away without giving anyone the treatment. Paul says, "The plan is to try again, with the death certificate (clearly stating the cause of death was rabies) and with the money in hand. Hopefully this time they will be able to get the treatment needed." We can be praying for this young man's family as they grieve the loss of their son, and for the villagers who were bit to be able to get the treatment.

*Thank you for faithful
and gracious giving!*

The Grace of Giving: As of Feb. 21, 2021

Give securely online at grace-ministries.org—click "Online Giving."

- Dallas Smith: Firefighter
- Isaiah VanDam: Firefighter
- Sarah Wennersten: Texas Game Warden

Grace Bible Church of Marysville

Attendee Responsibilities—COVID-19 Safe Start Plan

1. You are required to self-screen for signs and symptoms of COVID-19 before arriving at church, which includes taking your temperature before attending a service.

If you have a fever, or any COVID-19 symptoms (that you cannot attribute to another condition), we ask that you stay home and watch the service via live-stream.
2. You are required to answer the COVID-19 screening questions upon entry into the Activity Center or we will not be able to allow you to enter and you will need to watch the service via live-stream from home.
3. You are required to wear a face covering before, during, and after the service indoors (including while singing); exceptions include:
 - A. You have a medical condition, mental health condition, or disability that prevents wearing a face covering (this does not require proof of condition; a verbal notification is acceptable).
 - B. Children younger than five (5) years old.
 - C. When any party to a communication is deaf or hard of hearing and not wearing a face covering is essential to communication (this does not require proof of condition; a verbal notification is acceptable).
 - D. You are outdoors and maintain at least six (6) feet of distance from non-household members.
4. You must have at least six (6) feet of space between your family's seats (members of the same household may be seated together as a single unit) and those of other households during Phase 1. During Phase 2, two (2) households may sit together, distanced from others by at least six (6) feet.
5. You must maintain at least six (6) feet of physical distancing during interactions with others (not in your household) before, during, and after service (i.e., no direct physical contact, such as hugging, shaking hands, etc.), except the Phase 2 seating allowance above.
6. Those waiting to use a restroom must maintain at least six (6) feet of distance between you and each waiting person.
7. There will be a lockbox in the back of the Activity Center that you may put your offering in.
8. GBC will provide COVID-19 required (PPE) Personal Protective Equipment supplies.
9. For questions regarding these requirements, please visit: <https://coronavirus.wa.gov/>

**There will be NO small child care provided: Nursery, Cry Room and Gentle Lambs, Closed.
Small children in attendance MUST remain with parents for the duration of their time on campus.**
