OUTREACH

Dick & Mavis Buck

ABWE, Brazil

In their most recent letter, Dick gave an update on the COVID situation in Brazil. He writes, "Today was our day. Following the Municipal Government's calendar, this was the first chance for us to get our initial doses of anti-COVID vaccine. They don't do appointments here. Lines often have been a mile long or more. To help work around that the Health Dept. has created a wonderful system called the Lineometer. It tells the condition of lines at the 24 vaccination centers. Guided by this and in the care of a young driver from the Church, we picked one of the "no-line" places. We were in and out in 15 painless minutes. We haven't felt any side effects, and trust that'll continue. Our second dose is in April. Brazil's situation with the virus is horrendous. People are dying in lines waiting for hospital vacancies. Death tolls go up daily. Many major cities, including Salvador, have been under lockdown for a couple weeks. Several close friends have died and others are in critical condition. Rejoice with us in the vaccine, then plead with us concerning the over-all crisis."

Thank you for faithful and gracious giving!

Attendee Responsibilities—COVID-19 Safe Start Plan

1. You are required to self-screen for signs and symptoms of COVID-19 before arriving at church, which includes taking your temperature before attending a service.

If you have a fever, or any COVID-19 symptoms (that you cannot attribute to another condition), we ask that you stay home and watch the service via live-stream.

2. You are required to answer the COVID-19 screening questions upon entry into the Activity Center or we will not be able to allow you to enter and you will need to watch the service via live-stream from home.
3. You are required to wear a face covering before, during, and after the service indoors (including while singing); exceptions include:
 - A. You have a medical condition, mental health condition, or disability that prevents wearing a face covering (this does not require proof of condition; a verbal notification is acceptable).
 - B. Children younger than five (5) years old.
 - C. When any party to a communication is deaf or hard of hearing and not wearing a face covering is essential to communication (this does not require proof of condition; a verbal notification is acceptable).
 - D. You are outdoors and maintain at least six (6) feet of distance from non-household members.
4. You must have at least six (6) feet of space between your family's seats (members of the same household may be seated together as a single unit) and those of other households during Phase 1. During Phase 2, two (2) households may sit together, distanced from others by at least six (6) feet.
5. You must maintain at least six (6) feet of physical distancing during interactions with others (not in your household) before, during, and after service (i.e., no direct physical contact, such as hugging, shaking hands, etc.), except the Phase 2 seating allowance above.
6. Those waiting to use a restroom must maintain at least six (6) feet of distance between you and each waiting person.
7. There will be a lockbox in the back of the Activity Center that you may put your offering in.
8. GBC will provide COVID-19 required (PPE) Personal Protective Equipment supplies.
9. For questions regarding these requirements, please visit: <https://coronavirus.wa.gov/>

There will be NO small child care provided: Nursery, Cry Room and Gentle Lambs, Closed. Small children in attendance MUST remain with parents for the duration of their time on campus.
