OUTREACH

Paul & Bella Gervasi

Indonesia

The Gervasis have been back in the U.S. for about a month now. They were able to visit their son, Jamie, and Paul was able to share at Jamie's church while they were there. They were also able to visit their daughter Liana and her family for a few days. They are currently living with their other daughter Cori, and plan to stay with her while they take care of some medical needs. Paul wrote, "Bella and I are very aware that we are getting old. We very much desire to finish the translation in Parobut before transitioning to some other place to serve the Lord (No, we don't want to retire!). Living in Parobut is at times physically challenging for 'old' folks. With this in mind, we have prioritized some health care while we are home this time." Paul had foot surgery, and while it went well, he will not be able to go back to normal activity for about three months. Bella, found she needs some oral surgery after a dental visit to replace a filling and some x-rays.

In Paul's most recent letter, he asks for prayer for their daughter Liana, who has come down with COVID. She has pneumonia in both of her lungs and strep throat as well. She was put on oxygen and admitted to the hospital. Her oldest daughter, Ellise, has come down with strep throat as well. Thank you for your continued prayers for Paul, Bella and their family. Please keep Liana in your prayers for a quick recovery.

Thank you for faithful and gracious giving!

Attendee Responsibilities—COVID-19 Safe Start Plan

1. You are required to self-screen for signs and symptoms of COVID-19 before arriving at church, which includes taking your temperature before attending a service.

If you have a fever, or any COVID-19 symptoms (that you cannot attribute to another condition), we ask that you stay home and watch the service via live-stream.
2. You are required to answer the COVID-19 screening questions upon entry into the Activity Center or we will not be able to allow you to enter and you will need to watch the service via live-stream from home.
3. You are required to wear a face covering before, during, and after the service indoors (including while singing); exceptions include:
 - A. You have a medical condition, mental health condition, or disability that prevents wearing a face covering (this does not require proof of condition; a verbal notification is acceptable).
 - B. Children younger than five (5) years old.
 - C. When any party to a communication is deaf or hard of hearing and not wearing a face covering is essential to communication (this does not require proof of condition; a verbal notification is acceptable).
 - D. You are outdoors and maintain at least six (6) feet of distance from non-household members.
4. You must have at least six (6) feet of space between seating groups. For Phases One (1) & Two (2), seating groups can be up to ten (10) people (two households recommended but not required). Phase 3 (3) seating groups can be up to fifteen (15) people (two households recommended but not required).
5. You must maintain at least six (6) feet of physical distancing during interactions with others (not in your household) before, during, and after service (i.e., no direct physical contact, such as hugging, shaking hands, etc.), except the seating allowances above.
6. Those waiting to use a restroom must maintain at least six (6) feet of distance between you and each waiting person.
7. There will be a lockbox in the back of the Activity Center that you may put your offering in.
8. GBC will provide COVID-19 required (PPE) Personal Protective Equipment supplies.
9. For questions regarding these requirements, please visit: <https://coronavirus.wa.gov/>

**There will be NO Nursery care provided, but Gentle Lambs & a Cry Room are OPEN.
Small children in attendance MUST remain with parents for the duration of their time on campus
unless they are attending Gentle Lambs or Sunday School.**
