Outreach & Ministry Prayer Update

Paul & Bella Gervasi
Indonesia

In their last letter, Paul included a few prayer requests. We can be praying as they begin the preparation for their next translation check in the fall. They hope to have 1,400 verses checked in the New Testament, and about that many in the Old Testament as well. We can also be praying as Paul continues teaching and discipling others to teach. He wrote, "Up to now the folks in the church have been studying from lessons we already had. Now it is likely I will need to make new lessons. That takes considerable time each week."
