Outreach & Ministry Prayer Update

Grace Bible Church
Fundamentals of the Faith
(F.O.F.)

This discussion-based class covers the foundational doctrinal truth all believers need to understand. An excerpt from the FOF textbook writes, “FOF is the outgrowth of the belief that the essence of Christianity is truth—truth about God the Father, Christ, and the Holy Spirit; truth about man’s sin and God’s plan of salvation; and truth about God’s revealed will for the church and our individual lives. What you believe matters and it matters eternally. Wrong beliefs about God lead people to hell (Matthew 7:22-23). Christianity is a faith anchored on the truths in the Bible, which is God’s only inspired written revelation.” Class material covers topics such as: How can I know God’s will for my life? What does it mean to be obedient? What is a spiritual gift? This class is approximately 16 weeks of study, and requires 1-3 hours of homework per week. If you commit to attending these classes, doing the work beforehand, and participating, you will gain an increased understanding of the fundamentals of the Christian faith.
