HAPPY
MOTHER'S
DAY

For Our Guests

We thank God for bringing you to worship with us today. The following information should help you get the most out of your time with us:

Nursery Facilities (limited to 8:30 & 10:30 a.m. services) & Cry Room

Trust your children of all ages to the care of our loving workers. Child care will be provided for all children up to 3 years old during all morning services. Our Cry Room, in the south upper room, above the foyer, is open and equipped with a closed-circuit TV for the benefit of mothers who are nursing or whose children need special attention during the service. See an usher for a Cry Room entrance key.

Registration & Communication Cards

We encourage you to register your attendance by filling out a Welcome Card. We will not put you on a mailing list but it will enable Pastor John to thank you by way of letter for being our guest today. You can bring the card to the Welcome Table in the lobby for a special gift we have prepared for you.

Audio & Video Recordings

Sermons can be downloaded from the church's website (see below).

Offering

Our offering is intended for those who consider Grace Bible Church their church home.

Questions, Counsel, & Prayer

You are invited to come to the front of the Worship Center following any of our Sunday worship services to speak with an elder or deacon about prayer requests, salvation, baptism, church membership, or any other spiritual concern you have. The elders and church staff provide counsel that is based solely on God's Word.

Outreach & Ministry Prayer Update

Bruce and Aimee Alvord

Currently in the United States

Bruce was discharged from the Hospital on April 20th. We are now staying in temporary housing in Burbank, California. Bruce spent 102 days in the hospital, most of which were in intensive care, and lost 30 pounds. While he is VERY grateful to have survived, received a new heart, and now be free from the hospital, recovery has been difficult.

We have been talking to doctors about Bruce experiencing anxiety. One of the heart surgeons told us that anxiety is part of the post-op process. He said that most patients experience it with the side effects of the immunosuppressant drugs they must take to keep their bodies from rejecting the new "foreign" heart muscle.

Another doctor said that more than 50% of people have emotional difficulties from taking the steroids that are also part of the medical treatment. At the same time, the Bible clearly teaches that worry is a sin, to which Bruce readily agrees.

Regardless of what is going on and why, what we DO know is that the answer is always the same: run to the Lord! That is what we are DOING during these dark days. I don't know how we could ever thank you enough for your prayers!
